AN EIFFEL OF PARIS!

Here's some Hilton for your hard-on

IT'S been a fair while since we've seen anything of Paris Hilton. Not that there's much we DIDN'T seen back in the day, when her *1 Night In Paris* sex tape released, but it's kinda nice to have another peak and see what it all looks like these days.

And we have to say it looks PRETTY FUCKEN GOOD.

Pazza was cavorting on a beach in Mexico with some bloke when a beaut bit of wind blew up her skirt and gave everyone a nifty flash of the most famous punani in papparazi-land.

All in all, we're impressed. At 35 she's no spring chicken these days, but all her bits seem to be holding up quite nicely.

So if the DJing, the singing, the acting and the FRAGRANCE-RELATED business ventures were all to fall over tomorrow, we reckon she could still make a living on the pole. ■ Picture

QUEEN of TITS

Long live Stacey Poole's natural wonders

WE THOUGHT we knew a thing or two about tits – well, you pick these things up after a while – but compared to Pommy model Stacey Poole we're fucken IGNORAMUSES.

She does have a bit of a head start, but. Last we heard, her phenomenal funbags had grown to a G-cup. If they get any bigger, she'll have to apply to the local council for PLANNING PERMISSION.

And not only does she

THIS POOLE HAS LIFE PRESERVERS!

"If blokes had boobs, they wouldn't stop feeling them"

New Tits On the block

know heaps about her own hooters, she's dead keen on perving on other girls' gazongas.

Doing photo shoots with a bunch of her big-tit model mates is her idea of heaven.

"I love boobs, so doing a shoot like that was a bit of a home-from-home for me," she reckoned.

"I love girls who can walk around with their boobs out and feel comfortable with it."

Hey, us too! But Stace maintains that us blokes really have no idea about owning a pair of norks.

"If blokes had boobs, they wouldn't stop feeling them, and they'd be jumping up and down testing them out. Men couldn't be trusted to own boobs.

"Men just like something to grab. So I guess in that regard, the bigger, the better."

And yes, her MILK WAGONS do cause her some dramas from time to time.

"They get in the way occasionally, and they're hard to manage when I'm exercising. I've knocked over a lot of tea cups in my time."

But for all that, she says she'll never keep them locked up.

"I'll always let them out. You have to. That's what they're for – to be used and shown to the full. They're like puppies – you must give them freedom to play." Woof! ■ Picture

News Flash

Believe it or not, this shit happened!

CROC WARS

QUEENSLAND and the Northern territory are on the verge of civil war over who's got the biggest crocs. FNQ newspaper the Cairns Post has kicked off a real stinko by claiming that Queensland is home to the biggest saltie in captivity. Which is true, but the Territorians have arced up big-time, pointing out that the croc they're taking about – Cassius, a 5.48m handbag in a zoo on Green Island – was actually caught in the Territory in 1984. This could get ugly, so we're just gunna offer to hold their coats and let 'em to go at it.

FREE SEX

THE Green Party in Germany has proposed providing HOOKERS for old- age pensioners who can't afford a nice ROOT. The Green's spokesheila on care policy, Elisabeth Scharfenberg, reckoned if her party gets in she'd investigate the possibility of "financing sexual assistance" for randy oldies in nursing homes who can't go out and hook up on their own. We reckon the government should chuck in a flagon of cream sherry and a few pingers as well.

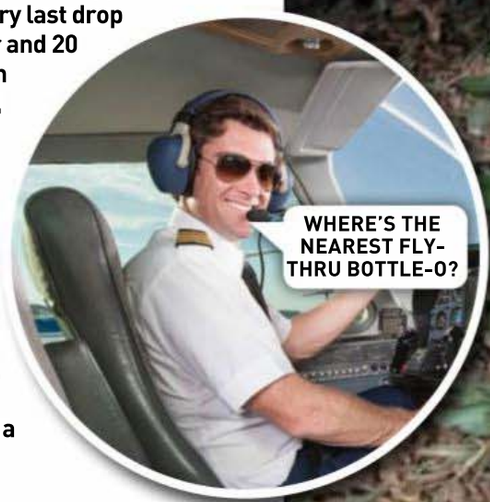
FLYING HIGH

A PLANEFUL of seppo footy fans were warmly congratulated by the pilot when they DRANK THE FLIGHT DRY on the way to a game. The Oakland Raiders supporters managed to down every last drop aboard the three hour and 20 minute flight from San Francisco to Missouri, where the Raiders were due to play the Kansas City Chiefs, so the captain came on the intercom and gave them his personal thumbs-up, according to sports journo Jimmy Durkin. It's odd, cos we didn't know David Boon was a fan of seppo football.



GET IT DOWN YA!

Our LOVABLY MURDEROUS reptiles have been at it again, giving overseas visitors something to SHIT THEIR TRACKIES over near the tourist hotspot of Kuranda, in FNQ. Exercising its right as a local to eat anything that it lays its eyes on, this fucken yoooooj python first SQUOZE this full-grown wallaby to death, then proceeded to CHUG IT WHOLE, including with the widdle joey in its pouch. Awww. Sad. But Mother Nature is a cruel old cunt, so waddya gunna do?

YAPPY JAPPY

A JAPANESE bloke has finally started to talk to his wife again after giving her the silent treatment for 20 years, even though they still lived in the same house. A couple of decades ago Otou Katayama, from Nara, got pissed off that his missus was paying more attention to their kids than to him, so he just CLAMMED THE FUCK UP. All he did was nod and grunt. Eventually their kids asked a Jap reality show to help bring their parents back together, so a date was organised and the two were reconciled. We not sure exactly what Outo's first words to his wife in 20 years were, but we understand it was along the lines of: "Where's me fucken dinner?"

It looks like fun, but we're biased

WELL BOWLED

An AUSSIE has claimed yet another MASSIVE sporting record. Lawn bowler Shayne Barwick clocked up 73 continuous hours – with 10 minute breaks every four hours – sending 'em down the green at the Cloncurry Bowls Club in Queensland. The champion bloke did it to raise money to build a veranda over the club's disability ramp. Funny thing is, Shayne reckoned he'd read somewhere that the existing record was 72 hours, so he aimed for 73. But actually there was no existing record, so he could've gone out there for just a couple of hours and nailed it anyway. Ah well. He really enjoyed his beer and durry afterwards.

Street Machine Summernats 30 was a piss-up for the ages

BOURBON and Coke slushies, mental V8s, big smoky burnouts and FREE-RANGE BREASTS. These are a few of our FAVOURITE THINGS, which is why we wouldn't have missed Summernats' 30th birthday beano for quids.

There's an age-old proverb which suggests that if it's got TITS or TYRES, it's gunna give you TROUBLE, but Summernats 30 was chockas with both, and instead of trouble it filled our hearts with IMMEASURABLE JOY.

Perth fella Matt James gave zero fucks

There was a record number of entrants and a FUCK-TON of trophies up for grabs, but the biggest – the Summernats Grand Champion sword – was won by a TOP BLOKE from Western Australia by the name of Mark "Happy" Williams.

Happy THRASHED THE FUCK out of his beaut blown V8-powered HQ Holden One Tonner – one of the AUSSIEST cars ever built – to take a popular win.

Speaking of all things Aussie, we reckon Summernats is an AUSSIE INSTITUTION. Here's to the next 30 of 'em. ■ Picture

Sure, she looks a bit psycho, but Amy has your best interests at heart. She'll listen to both sides, weigh up the evidence, and give her calm and rational judgement. Just don't piss her off or she may go BUG-FUCK WACKO.

Jada's nickname is "Ready, Aim" so you know you don't wanna mess with her. Just move slow and easy and keep your hands where she can see them. We don't want anythng to GO OFF unexpectedly.

SPUNK SQUAD

WE LIVE in a crazy old world, readers, full of all kinds of violence and nastiness. And seeeing as how we're a magazine of PEACE and LOVE we'd figured it was down to us to come up with a solution.

Our answer? In the future only hot, naked women will be armed. Any dispute, between individuals or nations, will be settled by bare-arsed spunks wielding AK-47s, or whatever matches their shoes.

Their decision will be final. No appeals. No backchat.

These are our first trainees for the world naked spunk police force. We feel safer already! Picture

LUCY

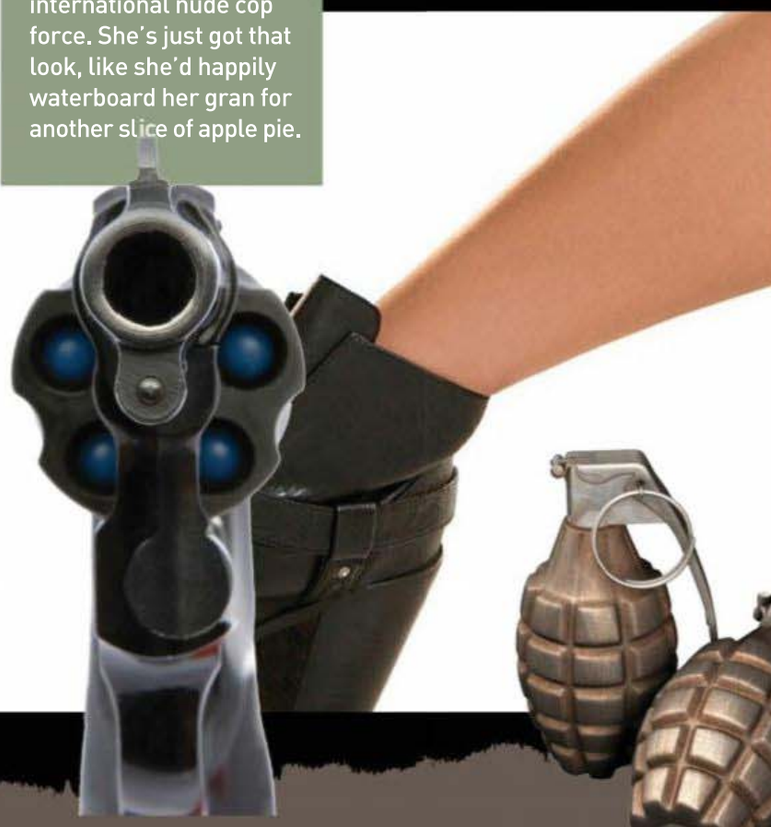
A veteran peace-keeper, Lucy is admired for her authorative manner, her vast knowledge of international law and her powers of reasoning. Not to mention her perky white pointers and a very happy, smiling SMOO!

STOYA

Stoya will bring to the job all the experience she gained while filming porn classics such as *Top Guns* and *Bad Girls 1, 5, 6* AND *7*. So if she can't talk the warring sides to the table, maybe she can FELLATE them to a peaceful solution.

MADISON YOUNG

A tootsy with an Uzi, Maddy is being tipped as the first head of the international nude cop force. She's just got that look, like she'd happily waterboard her gran for another slice of apple pie.



SELENA ROSE

Don't make any sudden moves –Selena's got an itchy trigger finger! So she's either gunna shoot some poor bastard or start flickin' the bean. Either way, there's gunna be plenty of moanin' and groanin'.

SHAY JORDAN

"Say hello to my little friends," Shay seems to be saying. But they ain't so little – 34C is quite a respectable rack in anyone's language. Lets just say she's packing plenty of fire power.

Fanning surfs the Arctic Circle

LOOKS like Aussie surfing champ Mick Fanning will go to ANY lengths to get away from those big white pointers!

Fanning just pulled off one of the epic surf feats of all time by catching a few waves under the Northern Lights off the Lofoten Archipelago, Norway, way up inside the Arctic Circle.

He and photographers Emil Sollie and Mats Grimsaeth camped out for three nights waiting for the right surf conditions and a decent display of sky sparklers.

They finally nailed it on the third night, with the big fella commenting that between waves: "I was staring up at the sky just screaming with excitement."

Which is heaps better than screaming cos a big sharky's just had a nibble at your board, like what happened to him in Jeffrey's Bay, South Africa, in July 2015.

You might get the odd ANGRY HERRING up in Norway, but at least you don't get chomped on by the son of Jaws. Picture

You're Joking

AN IRISH priest was driving to New York and got stopped for speeding while in Connecticut.

The state trooper smelled alcohol on the priest's breath and then saw an empty wine bottle on the floor of the car. He asked, "Sir, have you been drinking?"

"Just water," said the priest.

The trooper asked, "Then why do I smell wine?"

The priest looked at the bottle and exclaimed, "Good Lord! He's done it again!"

IAN, BARLOWS HILL, QLD

FOUR old blokes go golfing, and they start bragging about their sons.

The first says, "My son's a lawyer, and he's doing so well he gave his friend a new car!"

The second says "My son's a doctor, and he's doing so well he just bought his friend a new boat!"

The third guy says "My son is an executive, and he is doing so well he just bought his friend a new house!"

The fourth guy says "Well, my son is a stripper at a gay club, but he must be doing pretty well because he just got a new car, a new boat, and a new house..."

A LITTLE old man shuffled slowly into an ice-cream parlour and pulled himself slowly, painfully, up onto a stool. After catching his breath, he ordered a banana split.

The waitress asked kindly, "Crushed nuts?"

"No," he replied. "Arthritis."

A BLOKE goes into a public toilet to take a slash, and next to him he sees a little bloke all dressed in green whose got the most enormous cock he's ever seen.

As the leprechaun zips up, the bloke asks "Are you a real leprechaun."

"Aye," says the leprechaun. "That I am. I'll grant you three wishes if you do one thing."

"What's that?" asks the bloke.

"Thing is, me leprechaun dick's so big, fellas are better at handling it than the ladies," says the little green man. "If you suck me dick till I come, I'll grant your wishes."

The bloke's a bit hesitant, but wishes are wishes, and he figures he only gets one shot at this, and goes to work. After he's finished, he asks the leprechaun about his wishes.

"How old are you?" asks the leprechaun.

"Twenty-two," says the bloke.

The small bloke smiles and says, "Aren't you a bit old to be believing in leprechauns?"

A KANGAROO walks into a bar and orders a beer. The bartender says, "That'll be $10. You know, we don't get many kangaroos coming in here."

The kangaroo says, "At $10 a beer, it's not hard to understand."

BAZ, CROSS ROADS, SA

A LITTLE old lady is walking down the street dragging two large plastic garbage bags. One of the bags is torn, and every once in a while, a $20 note falls out. A policeman stops her, and points out that there's a lot of money spilling from her bag.

"Darn it!" said the little old lady. "I'd better go back and see if I can find them. Thanks for telling me!"

"Hang on," says the cop. "Where did you get all that money? You didn't steal it, did you?"

"Oh, no, no", says the old lady. "You see, my back yard is right next to the football stadium parking lot. On game days, a lot of fans come and pee through a knot hole in the fence, right into my flower garden. It used to really tick me off. Kills the flowers, you know. Then I thought, 'why not make the best of it?' So, now, on game days, I stand behind the fence by the knot hole, real quiet, with my hedge clippers. Every time some guy sticks his pecker through my fence, I surprise him, Grab hold of it and say, 'O.K., buddy! Give me $20, or off it comes.'"

"Well, that seems only fair," says the cop, laughing. "OK. Good luck! Oh, by the way, what's in the other bag?"

"Well, you know", said the little old lady. "Not everybody pays."

Life is a little easier for attractive people. Think about it, if a stranger smiles at you and they're attractive, you think, 'Oh, they're nice.' But if the stranger's ugly, you're like, 'What do they want? Get away from me weirdo.'

MY WIFE'S GOTTEN REALLY LAZY, OR AS SHE CALLS IT, 'PREGNANT'.

Whenever I'm out of town for at least a week, I feel like I should write a postcard or something, but you can be a genius, you try and write a postcard you come across like a moron anyway: 'This city's got big buildings. I like food. Bye.'

I'M BLIND, BALD, AND PALE. I'M LIKE A GIGANTIC RECESSIVE GENE.

I was watching the Animal Planet. Did you know that the male seahorse has the baby? Why don't they just call that one the female?

YOU EVER READ A BOOK THAT CHANGED YOUR LIFE? ME NEITHER.

THE JOKE'S ON YOU

THIS WEEK: MOTHER-IN-LAWS

The doorbell rang this morning. When I opened the door, there was my mother-in-law on the front step.
She said, 'Can I stay here for a few days?' I said, 'Sure you can.' And shut the door in her face.

WHEN YOU REARRANGE THE LETTERS 'MOTHER-IN-LAW' YOU GET 'WOMAN HITLER'.

Fred and Rick were in a pub. Fred says to his mate, 'My mother-in-law is an angel.' Rick replies, 'You're lucky. Mine is still alive.'

Q. WHAT IS THE DIFFERENCE BETWEEN OUTLAWS AND IN-LAWS?

A. OUTLAWS ARE WANTED.

Harry was travelling down a country road in his native Yorkshire, England when he saw a large group of people outside a farmhouse. It was a cold January afternoon, so he stopped and asked Farmer Giles why such a large crowd of men was gathered there. The farmer replied, 'Eddie's donkey kicked his mother-in-law and she died.'

'Well,' replied the man, 'She must have had a lot of friends.'
'Nope,' said Giles.' We all just want to buy his donkey.'

Q. DO YOU KNOW THE PUNISHMENT FOR BIGAMY?
A. TWO MOTHERS-IN-LAW.

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

READ MY CHEST

I FIND it hard to resist reading witty slogans on people's T-shirts. Here's one of the wittiest I've seen.

R.W., BELMONT, WA

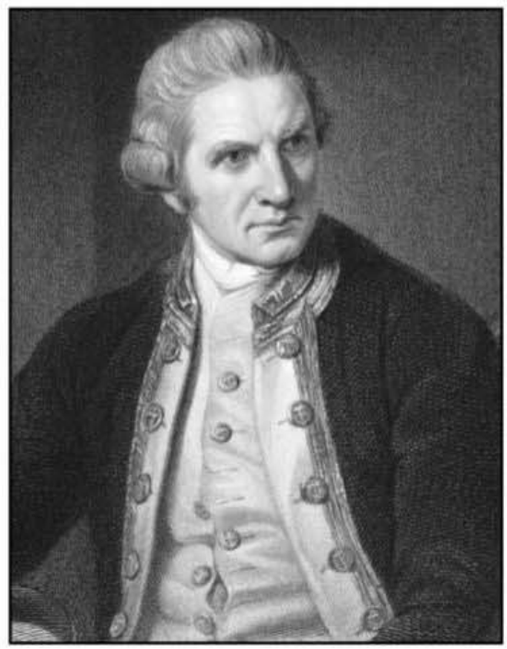
MUNGO SAYS: Yeah, I'll pay that. Of course, wear it around certain inner city areas and sure as shit some antsy lezzo feminazi will want to sue you for oppressing her by denying her the right to be a humourless cunt. In case you haven't heard, it's illegal to have a laugh these days.

CELEBRI-TITTIES

TOP of my wish list for celebrity sheilas to get nude in THE PICTURE would be that little pocket rocket Seppo singer Arianna Grande. Can you guys find some piccies of her with her tits out and put them in the mag for me, or do I have to come in there and make you do my bidding?

P.N., FIVE DOCK, NSW

MUNGO SAYS: No need to get antsy, mate. We'll have a go. If necessary, I'll call her personally. She won't be able to resist the ol' Mungo charm. Few of 'em can.



ADVANCE AUSTRALIA DRUNK

HI MUNGO. What a great idea by the mayor of Fremantle to ditch Australia Day. We need much longer to celebrate this great country of ours, so instead let's have Australia WEEK – one day to celebrate Captain Cook arriving and six more to celebrate him bringing beer with him. Every country's national holiday should be just as long as how good they are, so there should be an Australia Week, the Yanks could keep Thanksgiving Day and the Kiwis have a New Zealand Hour. What do ya reckon?

P.M., LABRADOR, QLD

MUNGO SAYS: You're on the right track, you're just not taking it far enough. I reckon since each state was settled at different times, we should take a whole month on the piss to celebrate each one in rotation. So January 26 to February 26 can be NSW's turn, February 26 to March 26 Victoria's, and so on. Even give the ACT and NT a go. Which gives us a week to sober up, then crank it up again for the Melbourne Cup. So that's my 2017 planned. How about yours?

MUNGO WANTS TO KNOW...

These new submarines the Australian navy is getting – I reckon I'd feel a lot better about paying for them if we were all gunna get a ride. What do you reckon?

TO BOLDLY GO

I READ where there's a space program going on where they're looking for inhabitable planets way out in some galaxy somewhere. I always thought it'd be a great idea that if we're gunna try and get in contact with other civilisations in space, we should transmit electronic copies of THE PICTURE to let them know we come in peace. After all, with all the tits and funny yarns it'd be the best way to get them to understand that we mean no harm. And then maybe they'd beam back their local mags. OK, so their sheilas may be green and have five tits, but it'd still be interesting to see.

SPACE CADET, BROOKVALE, NSW

MUNGO SAYS: See, this is why Australia should have its own space program. 'Cos we have all the best thinkers. Mate, it's a lock. We're gunna start up a space edition for the mag ASAP and zap it out there. But don't blame us if aliens come down and take all the parking.

That's already one man arse too many

DICK-FREE ZONE

I RECENTLY watched a TV program on SBS called *Adam Looking For Eve*. It's a Dutch game show where couples are put on a desert island in the nude. There is no pixelation of rude bits, and it is very tastefully done. How about THE PICTURE doing a photo spread of a naked couple occasionally? I am sure many of the girls featured have boyfriends, and at least a few might consider it. You could even volunteer if the blokes were too shy.

ADAM, GROVEDALE, VIC

MUNGO SAYS: Ya scared me a bit with that word "tastefully" but I'll let it pass. Now, why this is a shit idea is that we'd end up with pictures of naked blokes in the mag, which would take up valuable space where there should be pictures of naked chicks. I'm not saying you're a fuckwit, but... well, maybe I am. But it ain't gunna happen.

the Picture

Now cooking with gas!

OILY ONE MORNING...

WHEN the oil rig Deepwater Horizon BLEW UP in the Gulf of Mexico in April 2010, they reckoned the fireball could be seen 64km away. The US$560 million drilling platform went up like a backyard barby when you chuck on too much petrol. Talk about singeing your eyebrows off. This is what it looked like close up, as seen from a boat that arrived to try and rescue the 126 crewmembers who were in danger of being FRIED ALIVE. In the wash-up, 11 people died and the whole fucking thing collapsed into the ocean floor kept spewing oil for hole they'd punched into the ocean floor kept spewing oil for another five months before being plugged. It coated the coast of Lousiana about 100kms away with black sludge, killing fish, crabs and anything else you'd want in a seafood basket. It was, as they say in the oil business, a bit of a fuck-up.

At least they've got plenty of water...

GRAN PRIZE!

Heather is Australia's hottest GILF

56 YEARS YOUNG!

JUST like wine, cheese and Bob Hawke, this foxy 56-year-old keeps getting better with age. And while some grandmas are knitting shit jumpers and stamping bingo cards, Heather from Redcliffe, QLD, is busy flashing her smoo to Australia.

"I've always wanted to be in a nudie mag," reveals the stunna. "And decided there's no better time than right now!"

We couldn't agree more. Are these the first NEKKID pics you've had taken?

"A few ex partners have taken pics of me, and far dirtier ones at that, but I've never been in a magazine so that's quite exciting."

And you've still got a body that'd give Elton John a boner. What do you love most about your beaut self?

"I really love my tits. I had a boob job about 10 years ago and they've held up so well. Guys enjoy playing with them."

Is anyone tucking into your VINTAGE VADGE regularly at the moment?

"Nope, I'm really enjoying being single. I was married for 27 years so now I'm playing the field a little bit. I slept with a 25-year-old recently, which was fun – I definitely taught him a thing or two."

Do you prefer the younger fellas?

"Age doesn't bother me. As long as you can go for at least two rounds then I'm a very happy camper. I had enough boring, vanilla sex in my marriage – I'm looking for something different now."

And have you discovered any crazy new sex acts in your new lease of life?

"I've been having a lot more sex outdoors – sneakily in parks, cars, cinemas, you name it!"

The Redcliffe neighbourhood watch will be keeping an eye out for you! ■ Picture

Talking Dirty

LOOKING FOR LOVE

HI SEXY. Why don't any ladies reply when I say nice comment to them on their picture on internet. I say very nice things like "You so sexy…..make me horny and cum…..i love you" and they never say anything back. What should I say instead to make them love me? And will you come to my house for sexing with me? I am new in Australia and live in Adelaide.

MANDEEP, ADELAIDE, SA

TRINITY SAYS: ***Ha! You can't make someone fall in love with you. Word of advice – when first giving a compliment, try not to make it about sex or sexually orientated. That's a good start. Women find that an instant turn-off, especially when it's in broken English. Also, no, I won't be "sexing" with you.***

ON THE ROPES

HI TRIN, my girlfriend wants to be tied up and me to 'do stuff' to her. Obviously I'll end with a good hard bonking, but what are some things I can do to her before reaching that moment?

H.P., COOROY, QLD

TRINITY SAYS: ***You seriously can't think of one thing yourself? God where are people's imaginations these days. Get some body-chocolate and whipped cream, lather her up in it and then lick it all off. Or give her a sexy massage with some oil. What about some role playing? Come on man – THINK!***

SUMMER LOVIN'

I WENT to Bali recently and met this beaut chick and we rooted a bunch of times while we were over there. We added each other on Facebook and after a bit of a snoop it looks like she's got a boyfriend. Thing is Trin, the boyfriend and I have a bunch of mutual friends and he sounds like a real nice bloke and I feel a bit bad, especially as she's still regularly sending me suggestive messages. Should I tell him that she's a cheater? Or just ignore her?

I.Z., BALGOWNIE, NSW

TRINITY SAYS: ***How about speak to her first, bro! You don't know the situation, so before you go running your mouth get the facts straight from the horse's mouth. Then make a decision from there. Don't jump the gun on an assumption. It could be a very recent ex and you're a rebound, ya never know!***

100% uncensored sex advice from Australia's hottest stripper!

POLE POSITION

HOW did you get your start in magazines and becoming a stripper? I work part-time at my local club, but I just don't know how to take that next step to get more famous. Whose dick do I have to suck?

RUBY, MELBOURNE, VIC

TRINITY SAYS: ***Fucking, excuse me! I didn't suck anyone's dicks to become famous – it's called talent, love! I entered big name competitions and WON! That's how I got my start. Then my awesomeness, dedication, work ethic and passion for my job kept me on top for over ten years. Not sleeping with people. Good luck, love, 'cos with an attitude like that you're gonna need all the dick-sucking skills you can get.***

ENTER, PLAYER TWO

HI TRINITY, I'm 21-years-old and still a virgin. I met this chick online gaming and we really clicked. We're always in the same squad in Battlefield, always sending private messages to each other and it turns out we live pretty close. So now we're thinking of meeting up in a few weeks and it seems like she really wants to have sex with me. How can I prepare so I don't blow my load in two seconds? Should I shave all my pubes off? Help me!

DA MAN, VIA EMAIL

TRINITY SAYS: ***Cool man! You two should dress up like your fave characters from the game when you meet, that'd be real kinky. Body maintenance is always a must so yes, wash, shave etc... do whatever you feel suits you best. Have a wank, that'll help you last longer and, dude, just relax and enjoy it. Don't stress over it.***

SURPRISE SEX

DO CHICKS like spontaneous oral sex? A bird could walk up to me and suck my dick anytime, anywhere and I'd be happy, but do you sheilas need a lil more warning or warming up?

S.C., PASHA, QLD

TRINITY SAYS: ***Most sheilas need a little warming up. Some sexy kisses on the neck, a little back rub or maybe some dirty talk. Depends on the situation and where you are or who's around. Some of us like it in all sorts of situations though, so give it a try and see.***

TRINITY'S SEX TIP

If there's something you haven't tried before in the bedroom, don't be a stick in the mud and give it a go. Everyone should try everything at least once. You never know, you may find something you really enjoy. So in 2017 you should say no less and yes more!

POTTY MOUTH

G'DAY Trin, I started dating this new chick who gets off by smelling my farts. She'll make me eat stinky foods like asparagus and beans and later that night she'll climb under the covers and ask me to fart while she breathes it in and masturbates. Have you heard of this fetish before? 'Cos it's really confused me!

GARBAGE GUTS, WALKER FLAT, SA

TRINITY SAYS: ***It's called eproctophilia, but what the fucking fuck! Personally I think that's totally putrid – she may as well just eat your shit, mate! But each to their own as I always say. And if you don't mind doing it, then hey, you're a bloody good sport, mate, props to you!***

PUCKER UP!

HEY babe, my man won't kiss me after I suck his dick but I've got no problem kissing him after he's gone down on me. What's his deal? Should I break up with the prick?

RUTH, ULVERSTONE, TAS

TRINITY SAYS: ***No babe, don't be so dramatic. It's extremely common for guys to be like this. What they expect us to do pales in comparison to what they are willing to do. It's a joke if you ask me. Anyway, just keep at him to stop being a prude and who knows you might wear him down.***

Bit of a headache, but a nice lie down and a cuppa and he'll be sweet.

TERRIBLE things can happen when you go looking for a nice bit of flathead for dinner.

You could prick your thumb on a hook. You could drop your thermos and spill your tea. Or you might land a big one and cop a bunch of slimy scales all over that lovely T-shirt you got from your mum for Chrissie.

Or you could do like this wally did and spear yourself through the head.

Although come to think of it, the angle's wrong, so it was probably a mate who did it.

Fucken mates. Where would we be without them?

Anyway, all we know is that our hole-in-the-head seppo buddy was spearfishing somewhere off the Bahamas when all of a sudden he could floss his brain real easy.

Correctly judging that this was more than the Dettol and bandaids in the boat's first-aid kit could cover, the crew got him to hossie real fast, where a team of surgeons burrowed in after the bastard spear and got it out without too much damage being done.

A little higher, he would've been BROWN BREAD. A little lower and he might've had a FREE TONSILLECTOMY. Life's a fucken lottery, eh.

Anyway, since he's recovering just fine, we feel compelled to give him two pieces of advice: 1) In future, be sensible and buy your fish from a fucken fish shop; and 2) GET UP YA SOOK! ■ Picture

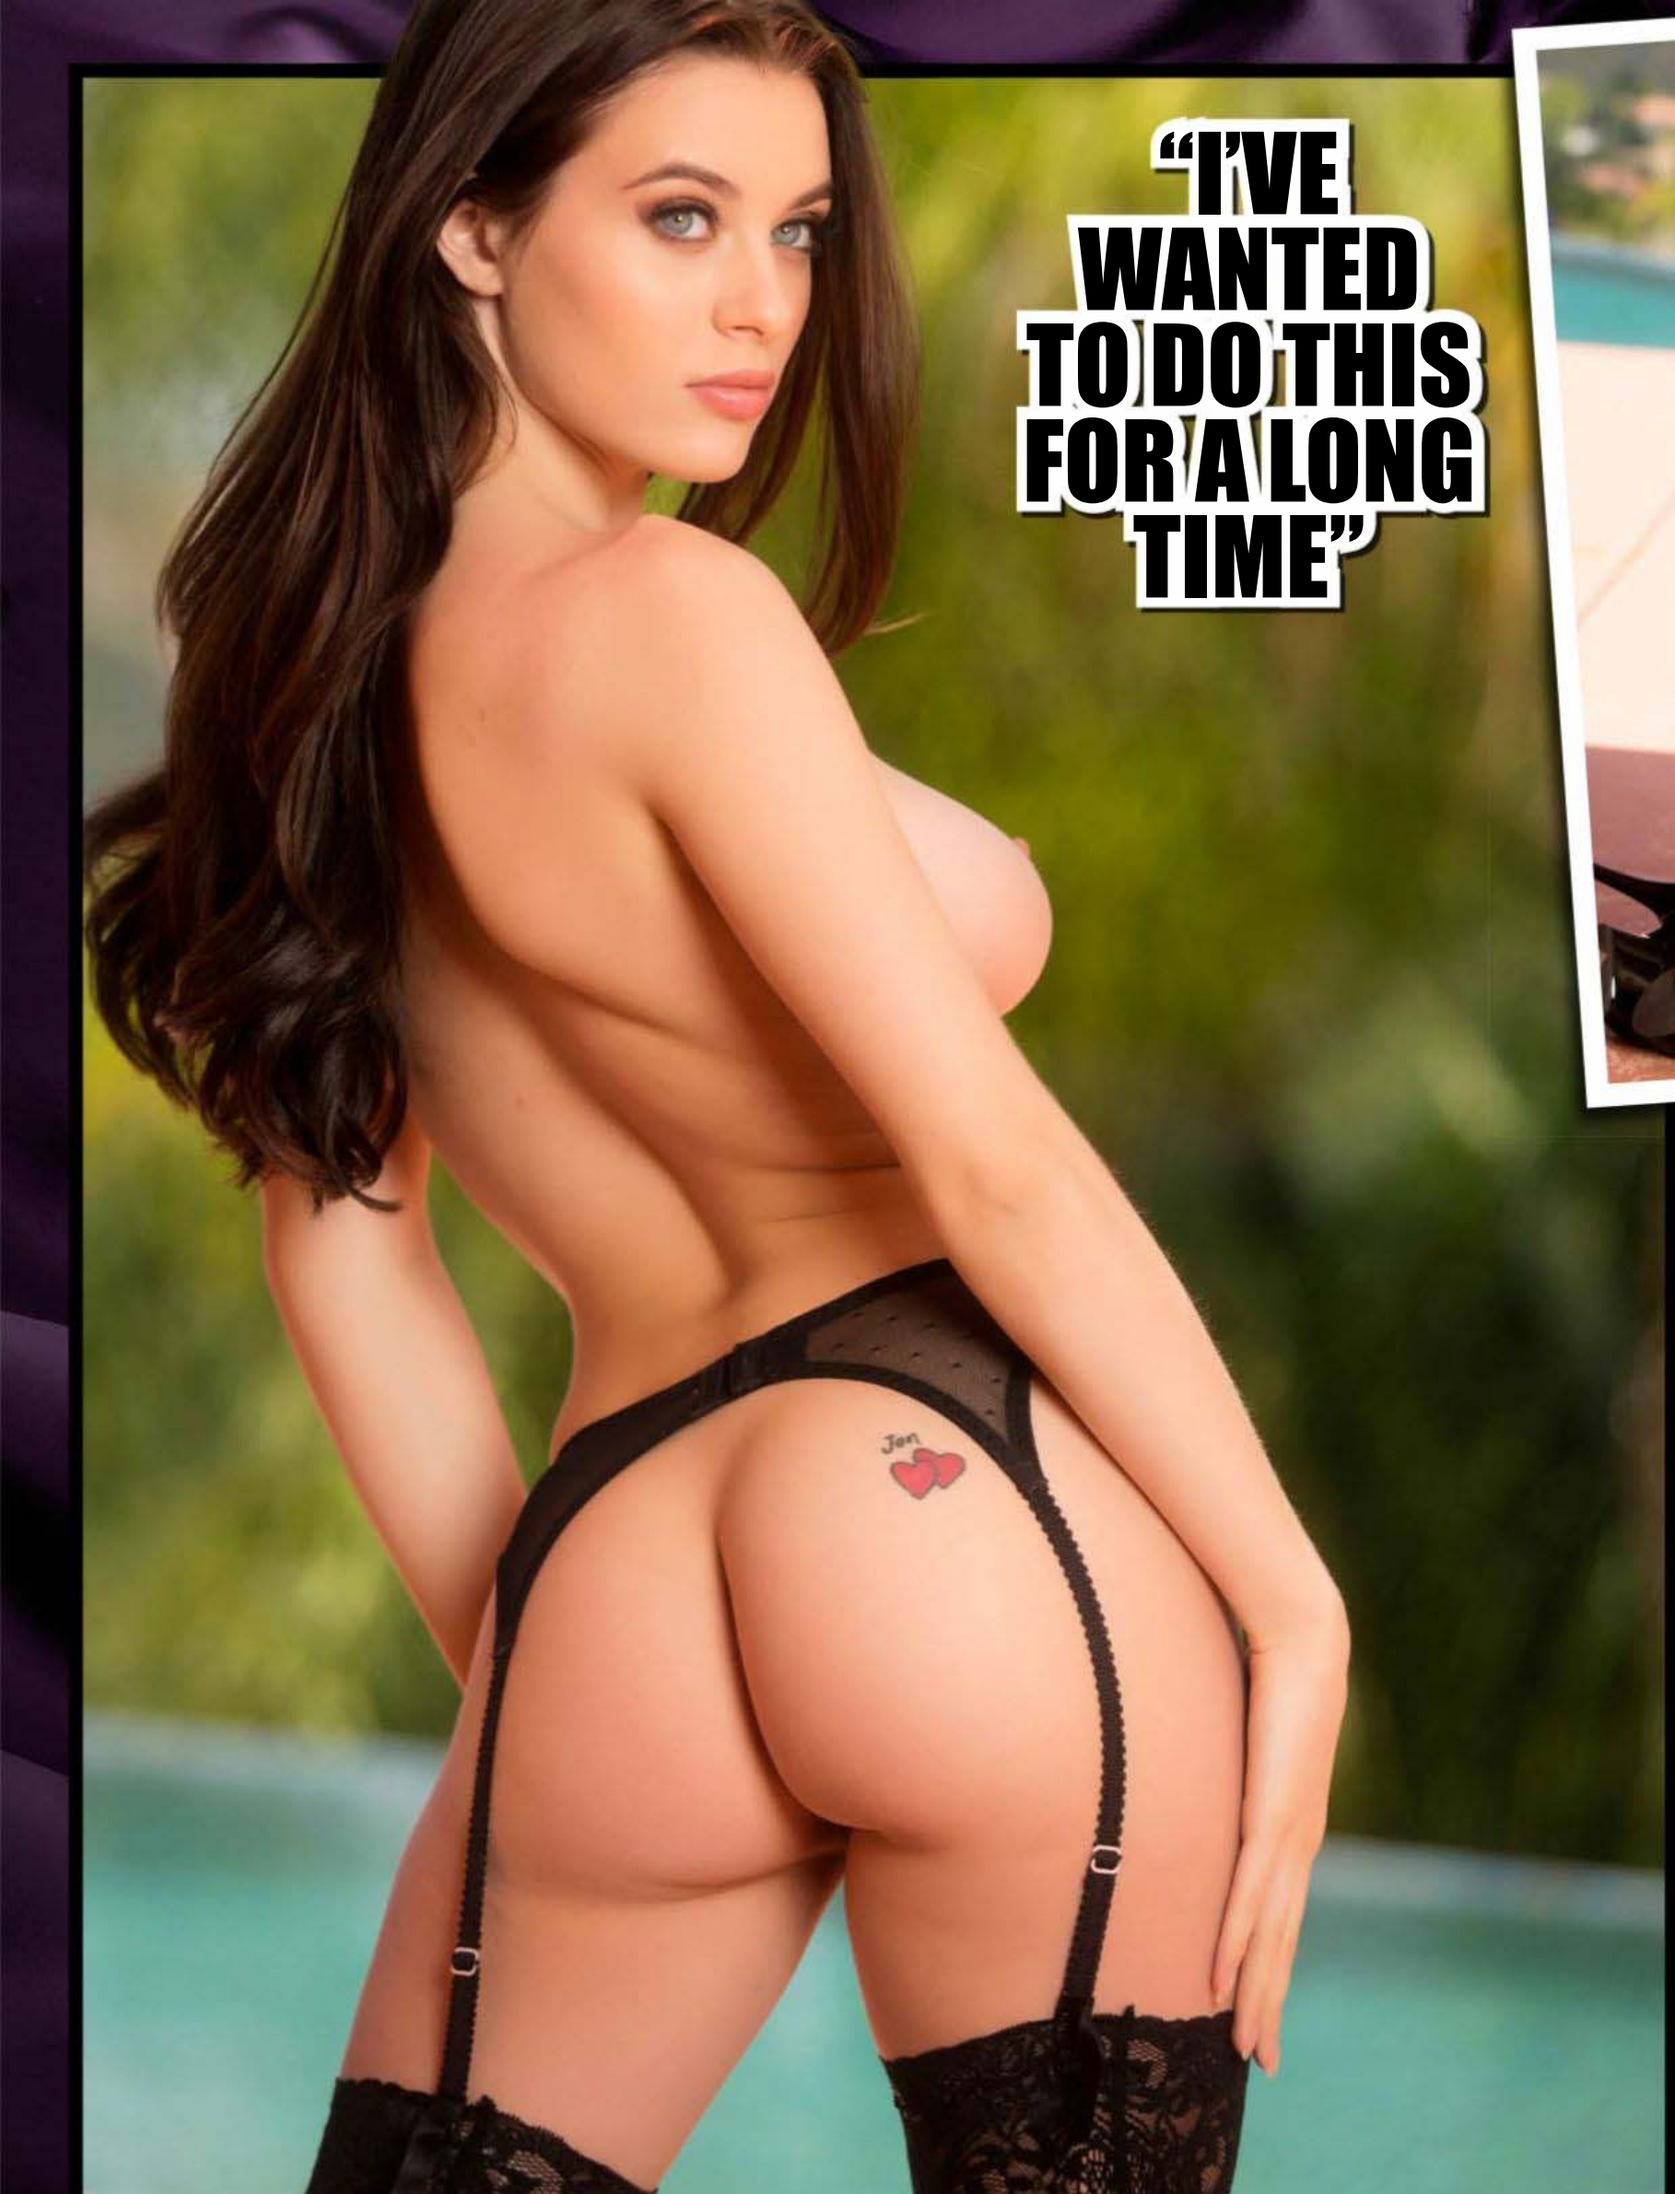
AND CUMMING!
Lana's on the road to greatness
Hard X



“I’VE WANTED TO DO THIS FOR A LONG TIME”

LANA Rhoades is living her life on FAST FORWARD. From her first gig as a stripper at 18, to starting in porn at age 19, it's all been go, go, go.

Then, during an action-packed 2016, things got even more hectic for the former high-school cheer-leader and gymnast and STRIPPER from Chicago, USA.

She went from just having a bit of a diddle on camera, to lezzo, to actual rooting, to taking loads of jizz on her beautiful the face right through to – just before Christmas – filming her first BUM ROOTING scene.

All up, in her first year in the grumble flick business, she racked up 37 film credits. Phew, eh? Talk about a HARD WORKIN' CAREER WOMAN!

No wonder she's been nominated for this year's AVN awards in the Best New Starlet category!

With her big blue eyes, BIG ROUND TITS, and TINY PINK SMOO, she's not got all the PHYSICAL attributes to make it in porn, but she's also got a GUNG HO ATTITUDE that'll help a lot.

"I've been wanting to do this for a really long time," she reckons.

AND CUMMING!

A porn fan for a long time, she reckons she learned from watching the best.

"I used to watch Jesse Jane a lot. Not to get off, but to learn things that I could do in my own sex life.

"Then, when I turned 18, I sent in an application to an agency and I was going to start then, but I ended up waiting."

But once she'd kicked it all off there was no stopping her.

"I wanna try everything in this business. I have a whole list of things," she says.

"When it comes to dicks, I like challenges. I always wanna try one bigger than the last one.

"With girls, I like nothing more than a big ass. I like to lick assholes and stick my face in people's butts."

And in case you were wondering, this dedicated darlin' with the double D-cup DIDDY WAH DIDDYS is no cum dodger, either.

"I just feel it's a waste of cum if it's not inside me. So I like it either in my mouth or my vagina or my asshole."

OK, so that's a BIT RUDE, but she's young and enthusiastic, so we'll forgive her just this once. Picture

SEX-OHO

Tassie babe likes sex more than blokes like beer

WE'VE all heard the vicious rumours about Tasmanians being more inbred than the ROYAL FAMILY, but we'd like to call bullshit and Ellie here is the proof.

Now we aren't SCIENTISTS, but if Tassie folk were all bonking their cousins, surely there'd be a whole lot more FREAKS with 12 toes and three ears, but instead we've ended up with beaut Devonport local Ellie.

"I love Tasmania," says the stunning 24-year-old. "It's such a beautiful place, and there's always something to do."

Or SOMEONE, eh?

"I have sex as often as I can; I guess I'm a bit of a nympho!"

Are you seeing a special someone at the moment?

"Kind of, it's nothing serious. More just friends with benefits, but I think he might leave soon as I'm a

bit too much for him to handle – I just wanna fuck all the time!"

That doesn't sound like such a bad problem to have...

"I don't think so, but sometimes he likes to sleep or watch a movie or something. I just don't see the point of doing things like that when we could be fucking."

You've gotta stop and get some food into you at some point, though.

"But do you really!?"

Spose you are getting a good dose of protein. Have you tried anything new in the bedroom?

"I'm always experimenting; new toys, new positions, new rooms. If I wasn't doing new things I'd get bored too easily."

If you could have a GROUP ROOT with any two other people in the world, who would they be?

"I think Johnny Depp is an absolute babe and I reckon he'd be wild in the bedroom so he's my number one pick, and the other would have to be Katy Perry – I'd love to motorboat her tits!"

Wouldn't we all! Have you been with many chicks?

"A few, but never anything more than a solid make-out and a fondle of their boobs."

You've got the taste now, do you?

"I'd definitely like to have sex with a woman, but one with really big boobs, 'cos playing with tits is fun!"

Bloody oath it is, Ellie. Picture

My Public Fuck

BEACH BLANKET BONGO

YOU know how it is when you're young and horny – when you want it, you want it, and nothing'll stop you.

That's how it was with me and Lorraine, this hottie I was dating when I was about 19. She was seriously stacked, with a great rack and a top arse, and when it came to sex she was just as toey as I was. Only trouble was, she was still living at home with her olds and I was floating between share houses, so it was always hard to find somewhere to tear into each other.

One day we were down the beach lying on our towels. I'd given her a sly finger, and she'd given me a cheeky squeeze on the knob – good thing I was wearing boardies – and we were just aching to tear off a root 'cos we hadn't had the chance for a couple of weeks. Then I had a brilliant idea. We grabbed our shit and climbed up to the top of a sand dune, chucked our towels down and figured that even if people could see us, they'd be so far away it wouldn't matter.

So with a beach full of people below us we proceeded to have the root of a lifetime. I lay her down, spread her legs and pulled her bikini bottoms aside to give her moot a serious licking. She was so wet already, I didn't waste too much time down there before reefing off my boardies and shoved my rock-hard throbber up her.

She wrapped her legs around me as I ploughed it up her, and whenever I lifted my head I could see all the people on the beach, the sea, the lifesavers, everything. At one stage out of the corner of my eye I'm sure I could see the lifesavers in the tower watching us through binoculars, but I didn't care. I hope they enjoyed the show.

WHAT A CLASSIC!

ONE year my boyfriend tried to cram some culture into me by taking me to the symphony concert in the Domain in Sydney. I know shit about classical music and I was kinda bored, so I just got stuck into the wine we brought and after a while I was pissed and feeling pretty horny.

My fella was trying to pay attention to the music, but I had other ideas. I wrapped myself in the blanket we'd brought along and started removing my underwear. I did that trick of taking off my bra under my T-shirt and draping it over his head, then I slipped off my G-banger from under my skirt and stuck it under his nose so he could tell how wet I was.

He soon got the message and we both got under the blanket like it was a little tent. I pulled out his cock and started sucking it, despite the fact we were surrounded by thousands of people, and he used his expert fingers to get my pussy even juicier...

It was dark by then, so when I pulled his jeans down and dragged him on top of me not too many people noticed. I hooked my heels around his thighs and began to pump my hips up and down, using my pussy muscles to grab and tease his cock in time to the music.

It was a good thing it was starting to get louder at that point, because so was I! My fella's big prick was sliding in and out of me and I was getting close to cumming.

Luckily, that's when they started firing these cannons on stage, so I took the opportunity to cut loose and have a massive orgasm, while my bloke emptied his load into me.

Even though I'm still not into classical music, it was one of the best concerts I've ever been to!

SPEED HUMP

ONE thing I love about my girl Rachel is that even though she seems prim and proper, she's always up for a fuck. Once we had driven way over the other side of the city to go to one of her rellos' place for a family barby, and all through the afternoon she'd been giving me sly little cock grabs to let me know she was in the mood.

We couldn't exactly tear one off there, and we had a huge trek back home before we could have a fuck, so I was thinking it was gunna be a while before I'd be able to deal with this enormous horn she'd given me. But luckily she had a plan.

We were heading home with Rachel driving and me staring out at the traffic when she chucked a turn off the freeway, then another quick turn, and another, until we pulled into this little bush access road.

With a wicked smile on her face, Rachel pushed her seat right back, laid it flat, and pulled her dress up and her undies down. "Screw me now, please," she said, 'cos she always had really nice manners.

Rachel looked so hot lying there with her legs spread and her naturally hairy bush glistening with her juices, I though "Fuck yeah!" and unleashed my hard cock so she could give it a quick lick before guiding it into her sopping pussy.

It was a bit cramped, the steering wheel was rubbing on my arse and the traffic just a few metres away was pretty fucken loud, but as my cock went balls deep I was in heaven.

We were both so ready for it, it only took a few minutes of frantic humping before we both got our rocks off, and then Rachel matter-of-factly stuck her wet panties in the glove box, put her seat back up and drove back onto the highway and home, still sitting in a puddle of cum.

BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

BISOU
KENT TOWN, SA

While she's planning to get into fetish-style sex, 27-year-old Canadian spunk Bisou is getting her group-rooting wings. "I've been getting into threesomes." ***Tell us more.*** "It's something different. The first one was two girls and a guy and the second was me and two guys." ***How do they compare?*** "They're both good and different. I love to be the slut for two guys and I love to play with the girl and the other guy at the same time." ***Are you planning on having bigger group sex experiences now?*** "Absolutely yes." ***So we'll be seeing you at swingers' parties – if anyone ever invited us to any, that is.*** "Oh yeah, baby. That's exactly my plan for the future."

DO YOU USE SOCIAL MEDIA MUCH? "Yes, I use it. It's a very important part of my life."

JASKOLA
KEILOR EAST, VIC

"I sometimes film myself masturbating to watch myself orgasm," says 28-year-old tattoo artist, occasional model and outdoor sex fan Jaskola. ***Can we see the clips?*** "They're just for myself and my boyfriend. Although I have some clips online. One is just of my face as I'm coming." ***Do you prefer using toys or just your hands when getting off on camera – or should that be COME-RA?*** "At this stage I prefer using my hands or a decent dick, but I'm thinking about investing in some good toys."

DO YOU USE SOCIAL MEDIA MUCH? "Yes, I use social media a lot. I mainly use Facebook or Instagram, though I can only post censored photos on them as they are very strict, so not specifically for raunchy reasons. I do occasionally sell nudes or my underwear through social media, though it happens very rarely."

"Normally I'm not an exhibitionist"

SELINE
CHAPEL HILL, QLD

Seline, 24, is an artist, which means of course she has another job that actually pays her some money. "I work in a call centre; I like the money and people I work with, but the hours are terrible and I prefer face-to-face chat." ***What saucy antics have you gotten up to away from the call centre?*** "I've been pulled on stage at a strip club when I was there for a friend's birthday. One of the female international strippers pulled me on stage to do a strip tease and we flashed our breasts to the crowd." ***Was that exciting?*** "It was great! Normally I'm not an exhibitionist, but that was a lot of fun, and she was pretty hot, so it was hard to say no." ***Self-control is overrated anyway.***

And always with good music." ***Mariachi bands? Polkas?*** "Rock or blues. It's magical." ***Would you have great sex or an amazing meal on your last day on earth?*** "An amazing meal for sure. Or both, ha ha. But I'm more satisfied with sex." **DO YOU USE SOCIAL MEDIA MUCH?** "No, I don't use it very much. But I don't care. I suppose I use it when I'm bored. I think the last time I ever sent an actual letter to someone was in high school."

Have you had much girl-girl sex? What do you like about a woman's touch?
D.T., WILLIAMSTOWN, VIC

"I use Snapchat to send raunchy pics"

APRIL ROSE
COBURG, VIC

These photos are the first ones of 22-year-old fast-food worker April in the nuddy. "It was surprisingly comfortable taking my clothes off on camera. I was a bit self-conscious, but it was still fun." ***What parts of your body were you most happy to show off?*** "I like my shoulders and my arse." ***Do you get up to other raunchy stuff when you are naked?*** "I met my husband when I was 14 and he's the only guy I've dated." ***An exclusive club. What do you get up to keep married life fun?*** "We used to keep old belts in his car so he could tie up my wrists and ankles to the handles above the doors."

DO YOU USE SOCIAL MEDIA MUCH? "I use it all the time. I use Snapchat to send raunchy pics when I am feeling a little bit sexy."

Home Girls

"Any readers have a girlfriend I can borrow?"

ROCKY LEE
AVOCA BEACH, NSW

"We are currently looking for a busty blonde for a threesome," says 29-year-old Rocky Lee. "If any readers have a girlfriend I can borrow, I promise I'll return her in one piece." ***But walking a bit funny.*** "My toys are all reasonably sized, I swear." ***Any plans for her?*** "I really want to be fucked with a strap-on. I think a girl will know how to hit all the right spots. And I haven't eaten pussy in a while." ***How long's a while?*** "About a year ago. I think her name was Jess. We didn't talk that much."

DO YOU USE SOCIAL MEDIA MUCH? "I'm a good girl now, but I've never been shy about sending nudes and have met most of my one night stands online. And guys, don't send dick pics. Unless you have a really amazing cock, most of you are just embarrassing yourselves."

"I like to strip down the second I get home"

$400 HOMIES WHO LOVE HOMIES

"I like River's aversion to pants"

RIVER & PHOENIX
NEWTOWN, NSW

Luscious lesbians River, 24, and Phoenix, 27, live together in Sapphic joy. **River:** "I like having double of everything, double the wardrobe, double the shoes, double the sex toys. I like the way she looks when she gets out of the shower, and the way she dries herself off with a towel. I can't look away." **Phoenix:** "I like River's aversion to pants." ***Who's the messiest member of the household?*** **River:** "I'm definitely the messier one. I like to strip down the second I get home and leave my clothes strewn about the place." **Phoenix:** "For sure. She likes to discard worn clothes everywhere but the washing basket."

DO YOU USE SOCIAL MEDIA MUCH?

River: "Not really, I find it hard enough to keep up with things in real life." **Phoenix:** "Not really, I much prefer interacting in person."

JADE

NEWCASTLE, NSW

This 21-year-old glamma was unpacking boxes when we annoyed her for an interview. "I just moved and I'm trying to find a place to put all my shoes and handbags – I've got so many," she told us. ***You've also got one of the hottest bods we've seen in ages!*** "Thanks! I'm glad you like the pics. This was the first nude photo shoot I've ever done." ***Do you wear those stockings when you're knockin' boots?*** "Yes, sometimes. Stockings are about the only things that will stay on! I love getting it doggy style – it feels the best." ***GRRRR! What else makes you happy in the pants?*** "I'm up for just about anything, really. I once had a quickie in a public bathroom, too." ***That makes us feel DIRTY, but in a good way.***

JAZZ

GOLD COAST, QLD

Last time this spunky 22-year-old was in the mag, her sex life was a bit UP THE SHITTER – and not in a beaut "bulk anal" kind of way. Thankfully, the feisty little rooter spent the festive season with heaps of NORTH POLES to keep her happy. "Over Christmas I had a few threesomes," she said. "Not proper ones, but after some big nights out I'd bring a couple of guys home at once and then they'd take turns." ***Sharing IS caring, after all. Do you ever get any girls involved in your PENIS PARTIES?*** "No way. I'm not attracted to chicks at all, so I just pick up guys to root." ***Fairy nuff. That leaves more hot chicks for PICTURE journos to get rejected by.***

"I've walked down the street naked before"

WILLOW
MORNINGTON, VIC

"I'm a bit of a nudist," says 30-year-old retail worker Willow. ***You're in the right place.*** "I've walked down the street naked before on a busy main street. It was for a protest against climate change with a couple of other people. We were on the news. It was about five degrees outside." ***Sounds like you needed some greenhouse emissions to warm things up.*** ***Any other nude fun?*** "I did the naked girl before." ***Huh?*** "It's a trick they use on *How I Met Your Mother*. If you want to sleep with someone, you lose your clothes when they leave the room. You act naturally, just naked. It worked, I got the girl I did it on to sleep with me." **DO YOU USE SOCIAL MEDIA MUCH?** "I use Snapchat and Instagram for my raunchy pics."

"It's always fun to get naked knowing so many people will see it"

$200 TOP TITS

QUEEN B

BARDON, QLD

"My sexuality is open and free," says top-heavy Spanish goddess Queen B. "Don't let anyone tell you otherwise, but sexuality is one of the most natural things." ***Like those delicious natural appendages on your front. Have you always had a high sex drive?*** "Yes, for as long as I remember I have. Sometimes it's too high for my own good." ***Was it fun getting naked for THE PICTURE?*** "It was. This is the second time I've been photographed nude and I absolutely loved it. It's always fun to get naked knowing so many people will see it. Nudity is the future, past and present. They still try to make the most natural thing in the world a taboo, and so far it's not working. Thankfully."

MELISSA
SYDNEY, NSW

NO WONDER young people are spending longer at school and YOONI! With students like Melissa wandering about the joint we'd never bloody leave. "I probably get asked out by a stranger at least once a week," says the 21-year-old model and nursing student. ***And how many of these proposals do you accept?*** "Not many. If I said yes to them all then I'd never have any spare time!" ***What was the last one that led to a game of CROTCH SOCCER?*** "I had sex with a guy in an empty classroom once. I suggested we get some alone time and he jumped at it." ***He's only human!*** "So off we went and fucked right on the teacher's chair and desk. It was funny the next time I had a class in there watching the teacher sit where it all happened!" ***You don't much around, do ya?*** **DO YOU USE SOCIAL MEDIA MUCH?** "Yeah, I always post naughty pics on Snapchat."
